Hi all,

It has been so wet and icy recently I'm sure very few of you have been keen enough to get outside and do any work on those cars, unless of course you have a nice warm garage to work in No I thought not.

I had an e-mail recently from a Derek Coghill in Edinburgh telling me he had just bought an HD from a garage in Ayrshire. Apparently it was brought in from Australia about three years ago. This is the first HD we have heard about in the UK. Derek is planning to do it up and use it as a tow vehicle.

I know it is a bit early to be thinking of the summer months but if you are thinking of attending the All Vauxhall rally at Billing this year, the dates will be: 14th and 15th July. All things being equal our Club should be attending as usual on the Sunday the 15th.

For those of you online, you might like to know that I have been doing a little bit of tweaking of the Club website, updating a few of the pictures and making sure that the links now work as they should. Oh yes, if you switch your speakers on you will find the old 'Holding you in my Holden' advertising song there. It loads a bit slower than the pictures though so be patient, unless, of course, you have one of the new superfast lines.

Keep those pictures, letters and articles coming in, it does make for a nice varied and interesting magazine.

Regards

Ken
