Hi All,

Our annual event at Billing was some time ago now but it was an excellent day out with perfect weather. I have reproduced some pictures on the middle pages of this edition. For more pictures have a look at the site of another UK Holden enthusiast: www.thurlows.com and follow the path to; July 2002 - Holden Show

Our Club has recently been in discussion with some other owners of Australian cars in the UK (Ford and Chrysler) with a view to forming a mutual interest group. This does not involve any changes to the constitution of the Holden UK Register but should provide an Australian focus at shows. The working name is the AUSCCA. (Australian Car Club Association) Once this is up and running we will publish more information.

I have recently learnt that GIV Ltd have relinquished the HSV franchise in the UK. Owners are advised to contact TWR for assistance if required, or LSV who specialise in the service of HSV's in the UK. I'm told that a new distributor will be appointed in the near future.

If any of you are interesting in buying an HSV second hand there are quite a few for sale at the moment. Have a look at autotrader.co.uk You will need to register (free) to be able to search 'keywords' for 'Holden' though.

Keep those pictures and letters coming in!

Regards

Ken
