Hi All,

As you can see from the front page, the day out at the Ace Café to celebrate Australia day was well attended, with lots of Holdens both old and new plus some Aus Fords and Chryslers It was a lovely sunny January day and we all had the option to try a special Aussie menu from the bar. Many thanks to Matt Hollingsworth and Wayne Larsen for arranging the day, and also to Wayne for DJ'ing the music with an Aussie flavour. It seems to be a popular venue with lots of other classic cars and bikes turning up to see and be seen. Must do it again soon chaps!

We are all looking forward to seeing one of the 300 Vauxhall badged Monaros on the road soon, so keep you eyes open. I'll tell you what, I'll send a small prize to the first member who can send me a picture of one on the road in the UK!

One of our members, Rob Apsey, has just set up a website with a good selection of pictures of UK Holdens, well worth a look: <http://holdensabroad.com/ukholdens.htm>

Also, I call your attention to the letter on Page 4 from a young lady getting married next year and looking for an older Holden and Chauffeur for the day. It is a good opportunity to make a bit of money with your car. You never know you might even get a picture in the local newspaper, could be the start of a business as well!

Regards

Ken
