Hi,

Happy new year to you all.
May you prosper.

There isn't that much of motoring interest going on at the moment, fairly normal for this time of year. However, we do have another get-together at the Ace Café to celebrate Australia Day. If you can get along to this north London venue on Sunday 27th Jan, you will be in the company a fair number of Holdens and maybe a few other Australian built vehicles.

It normally gets going around late morning, and there is plenty of parking, if not in the actual café area, then in the street outside. For further details have a look at their website: <http://www.ace-cafe-london.com/> or give me a call.

Trevor, our events officer, has just told me that the HSV UK group are hoping to organise a Ute/Maloo event sometime in March somewhere in the Oxford area. If I have more details before the next edition of our magazine I will update you, otherwise contact Trevor (see inside front cover) or keep an eye on the 'Editor's diary' part of our website.

This will be the last edition of the magazine for those of you who haven't renewed your membership. If you do still wish to continue as a member please contact our membership secretary.

Regards

Ken
