Thank you for your enquiry about the Holden UK Register.

We are a small non-profit making, independent club, catering for owners and enthusiasts of all Holden models, Holden-bodied and Holden derived vehicles which have found their way to this part of the world.

The Club was founded in 1988 and is one of the few Holden clubs outside Australia and NZ. Our aim is to assist owners with the restoration and maintenance of their cars by the provision of technical information from the Club library and from its members wealth of experience. We are able to act as a focal point for everything Holden in the UK.

The Club publishes a bi-monthly journal: HOLDEN BUSINESS and is represented at selected national car shows and other local events throughout the year

The Club is officially recognised by GM Holden Ltd.
